

The World Open Invitational Ping Pong Championship

- **Single Elimination Tournament with a consolation bracket**
- **Match: Winner of two out of three games to 21 by 2 advances, the loser drops to the consolation bracket if it's their first loss or is eliminated if their second loss (can make the games to 11 or 15 as you desire)**
- **Service alternates between teams after every five points if a game to 21, after 2 points if to 11 and either if to 15**
- **If a 20-20, 10-10 or 15-15 score is reached service alternates after each point between teams regardless of the score. Up until that point service alternates as usual even if one team reaches 20, 10 or 15 before the other**
- **Winner of a coin flip, rock paper scissors or other method will choose between serve, side of the table, service order or team paddles, alternate choices after the first.**
- **Serves must always be from the servers right box diagonally to the receivers right box. Upon completion of 5 or two serves the receiving team will swap sides and there service turn will begin.**
- **During a point teams must alternate returns between each team member**
- **If a serve fails to start and end in the appropriate box it will result in the receiver getting the point**
- **Please record scores and fill in advancing and consolation bracket teams in appropriate fields**
